MEMORANDUM FOR: Deputy Director of Information Services

FROM:   
Chief, Information and Privacy Division

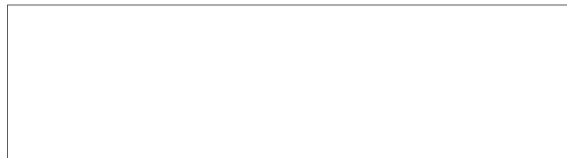

SUBJECT: Draft Legislation in Response to the  
Wilson/Terpil Hearings

REFERENCE: Your transmittal sheet dated 11 March 1982  
Same subject (OIS-82-205)

1. I have reviewed the proposed legislation and it would have no impact in terms of our rules, regulations, and procedures for handling requests under the Freedom of Information Act (FOIA) and Privacy Act.

2. However, the requirement under Section 702.(a) requiring Agency approval for entering into a financial transaction would result in the generation of records. We should anticipate that at some future time these records would be requested under the provisions of the FOIA. I believe we could adequately assert a (b)(3) exemption. The Agency should be made aware that these records would have to be reviewed for possible release.

2. The DDCI has requested the Executive Committee's views both on the draft legislation itself and its likely impact. This proposal is generally consistent with the DDCI/EXCOM guidance provided to the General Counsel at the 6 October 1981 Executive Committee session on this same issue. (See EXCOM 81-9053.)
